To whom it may concern

It is my pleasure to recommend the services of The Guardian to you.

St Stithians College recently did the sexual offenders fingerprint clearance of over 600 people in five days. The Guardian offers top-notch service with attention to detail. Cecil van den Bergh and Jeremy Martin were on site to ensure that the process was run smoothly and professionally. Across the board, we were delighted with their service.

I have no hesitation in recommending The Guardian and look forward to working with them again in the future.

Yours faithfully
