BOYS' HIGH SCHOOL**

**THE GUARDIAN**

Using The Guardian, Westville Boys high School recently conducted fingerprint clearances of all staff against the Sexual Offences Register in terms of The Sexual Offences Act, and in accordance with the Children's Act against the Child Protection Register. The fingerprints were captured for all 132 staff in a day and a half.

We were very happy with the service that The Guardian offered which ensured that the process of becoming legally compliant was painless and easy. They were very professional and everything went very smoothly.

We are more than happy to recommend The Guardian to any institution looking to use their services.

Yours faithfully
